

## About Venue

Babylon Rotana, a five-star haven in one of Baghdad's most desirable districts. With a prime location next to the Baghdad downtown, close to the banks of the famous Tigris River and just 30 minutes' drive from Baghdad International Airport. Vibrant souks and bazars and many of the city's top attractions are just a short drive away from the hotel, which is ideal for guests looking to make the most of their leisure time during their stay. Extensive measures have also been taken to make it the most secure hotel in the downtown Baghdad area.

The hotel features 284 spacious and modern rooms and suites with amazing views of Baghdad's skyline and the majestic Tigris River. An icon in its own right, Babylon Rotana's striking pyramid design and expansive gardens pay homage to the Babylonian heritage of the city.

Enjoy casual dining from our top menu picks and shisha at Babylon Village, global and Iraqi favorites at the all-day dining buffet, Shanashil Restaurant, or relish a variety of international dishes, refreshments, and shisha at Al Shorfa Lounge with the hotel gardens as a picturesque backdrop.
